Students must grant permission in AppalNet before you share information with parents. Below is a list of public, “directory” information you CAN disclose to others. Note that GPA is NOT on this list.

- Student Name
- Local Telephone Listing
- University Post Office Box Number
- University E-Mail Address
- Academic Classification (i.e., senior, junior, sophomore, freshman)
- Enrollment Status (i.e., part-time or full-time)
- Field(s) of Study
- Dates of Attendance
- Degrees, Honors and Awards Received
- Participation in officially recognized activities and sports
- Weight, height, athletic statistics and photos of members of athletic teams

If you see a CONFIDENTIALITY flag on a student record you must ask to see ID before working with a student, if the student is unknown to you. You may not disclose ANY information to the public when this flag exists. It is best to direct these calls to the Registrar’s Office.

When in doubt, call the Registrar’s Office or the Student Services Center for assistance, including verification of permission to speak to parents.
